Trek the Great Wall of China and raise funds for the cancer charity or hospice of your choice

The Itinerary

DAY 1 – London to Beijing
Overnight flights from London to Beijing.

DAY 2 – Beijing to Huangyaguan
Transfer by coach from Beijing to Huangyaguan where we overnight at the Huangyaguan Hotel. There will be an opportunity to walk on a short section of the Great Wall this afternoon for 2-3 hours as a warm-up. This section of the wall at Taipingzhai was built in AD557.

DAY 3 – Huangyaguan to Qianganjian
Today we trek up Huangyaguan Great Wall, climbing for the first 1.5 hours on a section of the wall that was renovated in the 1980’s to reach the top of the mountain where we are rewarded with spectacular views. We then follow the ruins of the wall walking on mountain paths and occasionally walking on the wall. Eventually we trek down into the valley and to Qianganjian Village where we overnight in farmer’s guest houses. (6 hours walking)

DAY 4 – Qianganjian to Shuichang
We walk from the village uphill onto the Great Wall again and make our way once again uphill along ruined sections of the wall. We descend again from this mountainous section to Longman Village and follow the village road to Shuichang Village and to the main road where we meet the bus. (5-6 hours walking) Transfer to Jinshanling Great Wall (2.5hrs), overnight Jinshan Hotel.
DAY 5 – Gubeikou to Jinshanling
This morning we have a 20 minute bus transfer to take us to the start of the walk near Gubeikou. The start of our walk takes us through the village before climbing up the Great Wall. This section of the wall is more impressive as it is wider and more strongly fortified. After lunch we will walk away from a forbidden section of the wall making our way through villages and fields. We climb back onto the wall later in the day before reaching Jinshanling where we find our overnight accommodation at Jinshan Hotel (6 hours walking).

DAY 6 – Jinshanling to Simatai
Todays’ walk offers what is reputedly the best section of wall walking. There will be many fantastic photo opportunities as perspectives are constantly changing as we pass more magnificent watch towers. We eventually leave the wall to walk down to the road where we are met by our transport which takes us to Huairou. (4 hours walking). Transfer to Huairou (2hrs), overnight in a hotel.

DAY 7 – Jiankou to Mutianyu
After breakfast we have a short bus transfer to Jiankou (40mins). Our final day of walking starts along narrow paths through fields, which are dotted with villages. We start to climb up to the wall on a continuous incline that eventually brings us to the highest watch tower on this section. The view is spectacular. We continue along some un-renovated parts of the wall until we reach a restored section near Mutianyu. (6 hours walking). We are met here by our transport which takes us to our hotel in Beijing where we can enjoy our celebration dinner.

DAY 8 – Beijing
Today is a free day in Beijing. You can explore the city at leisure or join our optional tour of some of the many famous sights in Beijing.

DAY 9 – Beijing to London
We transfer to Beijing airport for our daytime flights to the UK.

This itinerary is complex and subject to change.

How fit do I have to be?
This challenge is not designed for Olympic athletes – it is designed for people looking for an amazing goal to train and get fit for. A number of the people who will take part on this challenge will have little or no fitness level when they sign up. Britain V Cancer is the perfect motivation to get fit, lose weight and have an experience of a lifetime. Once you are signed up for the challenge we give you a realistic training programme, which gradually builds up as the challenge gets closer.

I’m worried about signing up on my own...
Please don’t be! The majority of people will sign up for Britain V Cancer on their own. Once the event is fully booked we will send you a contact list of everyone registered for the challenge, as often there will be someone in your local area you can meet up to train or fundraise with. We also hold a training weekend, which is a great opportunity to meet a number of your fellow trekkers before the challenge.
Your questions answered (cont.)

Am I too old?
Absolutely not! One of the amazing things about Britain V Cancer is that people of all ages will come together to do something very special. The age range is likely to be from 18 to 75.

Do I need special equipment?
You will of course need a pair of walking boots. We will supply you with a comprehensive list of everything you will need to take on the event well before your departure date.

Where will we sleep overnight?
We will stay in tourist class hotels in shared rooms for the duration of the challenge.

Can I extend my stay at the end of the challenge?
It is absolutely fine for you to extend your stay at the end of the challenge to explore China further or to take a well-deserved break! Once the group flights are confirmed (11 months before departure) we will send you a flight extension form from the airline, which will enable you to extend your stay. Extensions are allocated on a first come first served basis.

What other costs will I pay?
In addition to paying your registration fee you will need to budget for your airport taxes and the fuel surcharge (currently £350 but subject to change – up or down), personal travel insurance, visa, gratuities, optional tours and personal expenses.

What about insurance and visas?
You will need to take out your own personal travel insurance covering health, accident, loss and repatriation. Dream Challenges has a recommended policy, which we will send you details of. You can however take out your own insurance providing it covers you for a charity trek in China. British citizens require a visa to enter China. The current cost is £30. We will send full details on how to apply for this. If you are a non-British citizen please contact us for advice.

How do I sign up?
The best way to register is on our website: www.actionforcharity.co.uk alternatively you can complete the attached application form. Please note places are limited.

Itinerary

Itineraries are complicated and may be changed at short notice through factors out of our control. Whilst DCL endeavors to avoid itinerary changes we do not guarantee itinerary details and reserve the right to amend the itinerary of any Challenge Event as and when it becomes necessary to do so.

Occasionally DCL has to make a “significant change” which is a change made before departure which can reasonably be expected to have a major affect on the Challenge Event. Significant changes are likely to include: a change of accommodation area for the whole or a major part of the time you are away, a change of outward departure time or overall length of time you are away of twelve or more hours, a change of UK departure point to one which is less convenient for you and a significant change of itinerary missing one or more major destinations substantially or altogether. Alterations to the airline, aircraft type or routing is not a significant change and DCL is under no obligation to notify you in advance. If DCL has to make a significant change or cancellation we will tell you as soon as possible. If there is time to do so before departure, DCL will offer you the choice of the following options:
   a) Accepting the changed arrangements (for significant changes)
   b) Purchasing an alternative Challenge Event from DCL, of a similar standard to that originally booked if available. DCL will offer you at least one alternative Challenge Event of equivalent or higher standard at no extra charge. If this Event is in fact cheaper than the original one, we will refund the price difference to you. (If you are Self-Funding the Challenge Event Cost or to the Charity if we have received the Challenge Event Cost from them).
   c) Cancelling or accepting the cancellation in which case you will receive a full and quick refund of all monies (including the Registration Fee) you have paid directly to DCL. Where the Charity has paid the Challenge Event Cost to DCL, DCL will refund those costs to the Charity (See “Refunds and Compensation” below)

Please note that the above options are not available where any change made is a minor one. If DCL makes a significant change or cancellation we will as a minimum pay you reasonable compensation subject to the following exceptions:

Compensation will not be payable and no liability beyond offering the above mentioned choices can be accepted where DCL are forced to make a change or cancellation as a result of circumstances beyond DCL’s control or unusual and unforeseeable circumstances, the consequences of which were unavoidable even with all due care, or where DCL is forced to cancel due to the minimum number of participants required for the Challenge Event not being reached.

If DCL cancels because you fail to comply with any of the booking conditions, compensation will not be payable and the above options will not be available.

A minor change is one which, taking the account the information you have provided when booking or which DCL can reasonably be expected to know as the Organiser, DCL would not reasonably expect to have a significant effect on the Event. A DCL does not control the management of Event accommodation, advertised accommodation may not be suitable or available on arrival in which case DCL will endeavor to provide accommodation of at least the same standard in the same area. If DCL deems it necessary to change the itinerary during the Challenge Event, the Challenge Event Leader will arrange the best alternative. The decision of the Challenge Event Leader in these circumstances will be final.

Very rarely, DCL may be forced by “force majeure” to change or terminate the Challenge Event after departure but before the scheduled end of the event. In these circumstances DCL will not make any refunds (unless refunds are obtained from suppliers) or pay you compensation or meet costs / expenses you incur as a result.

Challenge Participation and Responsibility
2. Challenge Event itineraries often involve hazards inherent to the activities involved in it. These hazards increase the risk to participants of personal injury, death, illness, and/or loss or damage to property. By registering you acknowledge and accept the inherent hazards involved in the Challenge Event. Except as set out in this Agreement, DCL cannot accept any liability for any personal injury, death, illness, loss or damage to property. By registering you accept and agree to the conditions set out in the Challenge Event. Any air, sea or land transport equipment supplied must be worn correctly at all times. Your cycling helmet should be worn at all times when you are cycling.

Flight delays
3. DCL regrets it is not in a position to offer you any assistance in the event of delay at your outward or homeward point of departure. Any airline concerned may however provide refreshments. DCL will not be liable for any delay which results from the behaviour of any other passenger on the flight.

Complaints
4. If you have a complaint about any part of the Challenge Event, you must tell the relevant supplier and Challenge Event Leader at the time affording DCL the chance to put things right. Any complaints must be communicated to the Challenge Event Leader in writing immediately and to the DCL office within 28 days of your return from the Event.

Challenge Event Price Variations
5. DCL reserves the right to make changes to and correct errors in advertised prices at any time before your Challenge Event is confirmed. DCL will advise you of any error of which DCL is aware and of the correct price at the time of booking. You must check the price of your chosen Challenge Event at the time of booking.

The Challenge Event Cost you agree to pay consists of the basic event cost advised at the time of booking and any fuel supplement or taxes imposed by any airline providing flights for your Challenge Event together with any other amounts you agree to pay the Organiser. Due to their fluctuating nature, airline fuel supplements and taxes are not included in the basic Challenge Event cost advised at the time of booking, but are payable in full in the amount confirmed by the airline approximately 6-8 weeks prior to the commencement of the Challenge Event. This amount is not a surcharge as it is part of the total Challenge Event Cost you agree to pay at the time of booking, and the surcharge provisions set out below will not apply to it.

Once the Challenge Event price has been confirmed at the time of booking, DCL will only increase it in the following circumstances, passed on by way of surcharge. A surcharge will be payable, subject to the conditions set out in this clause, if DCL’s costs increase as a result of transportation costs (e.g. fuel, scheduled airfares and any other airline surcharges) which are part of the contract between airlines (and their agents) and the Organiser or airlines, taxes or fees payable for services such as landing taxes or embarkation fees at airports increasing or DCL’s costs increase as a result of any changes in the exchange rates which have been used to calculate the cost of the Challenge Event.

Even in the above cases, only if the amount of the increase in DCL’s costs exceeds 2% of the Challenge Event Cost (excluding insurance premiums and any amendment charges), will DCL levy a surcharge. If any such surcharge is greater than 10% of the Challenge Event Cost (excluding insurance premiums and any amendment charges), you will be entitled to cancel your booking and receive a full refund of the Registration Fee and the Challenge Event Cost if you have paid these directly to DCL. DCL does not refund amendment charges. If DCL has received the Challenge Event Cost from the Charity, this will be refunded to the Charity. Alternatively you can purchase another trip from DCL as referred to in “itinerary” above. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

You have 14 days from the issue date printed on the surcharge invoice to tell us if you want to cancel or purchase another Challenge Event. If you do not tell DCL to do so within this period of time, DCL are entitled to assume that you will pay the surcharge. Any surcharge must be paid with the balance of the cost of the Challenge Event within 14 days of the issue date printed on the surcharge invoice, whichever is the later.

DCL promises not to levy a surcharge within 30 days of the start of the Challenge Event.

Changes and errors do occasionally occur. You must check the cost of your chosen event at the time of booking.

Cancellations or termination
7. If you want to cancel your booking, you must notify DCL in writing. The effective date of cancellation will be the date such notice is received. Cancellation fees after registration has been made are as follows. Registration Fees, amendment fees and insurance premiums are not refundable in the event that you cancel.

Great Wall of China Trek 13-21 September 2015 www.actionforcharity.co.uk
With regards to any monies paid to the Charity over and above the Challenge Event Cost, no refund of these will be payable to you in the event of your cancellation of your booking as these monies were raised for charitable purposes.

7.1 Transferring your place to another Challenge Event may be possible. You must make this request to DCL in writing at least 3 months prior to the start of the Challenge Event and pay a transfer fee of £40 administration fee. Further charges may be deducted where costs exceeding this have been spent on your behalf and are unacceptable by DCL. The Challenge Event you transfer to must depart within 12 months of the Challenge Event you transfer from and only one transfer is allowed per booking. You must immediately pay the difference to DCL if your new Challenge Event has a higher Registration Fee. Where this is lower, DCL will deduct any difference from the Challenge Event Cost invoice to be paid by you or your Charity. You must accept and adhere to any differences in Challenge Event Costs and Fundraising Targets, and sign a new Registration Form when requested. If your request to transfer is made 56 or days or less prior to departure, DCL will be unable to transfer your Registration Fee and cancellation charges as above will be applicable.

Passports, vaccinations and visas

8. You must have a valid, full 10 year passport (minimum of six months validity required at the end of the Challenge Event) and hold appropriate visa and vaccination certificates. You will be liable for reimbursing DCL, if to failure to obtain any such documents results in fines, surcharges or financial penalty being imposed upon DCL. Information given by DCL about these matters or related items (climate, clothing, baggage, personal gear etc.) is given in good faith but requirements may change and you must check the current position for the time of departure. You are responsible for obtaining vaccinations required for your Challenge Event.

Challenge Event Leader’s Authority

9. Completing your Registration Form signifies your agreement to abide by the authority of the DCL appointed Challenge Event Leader. The decision of the Challenge Event Leader as to the conduct, itinerary and objectives of the Challenge Event is final. If the Challenge Event Leader or any other person in authority feels that your behaviour or physical condition is detrimental to the safety, welfare and well-being of the group as a whole or that your general well-being will be put at risk by continuing with the Challenge, you may be asked to leave the Challenge Event without the right to any refund for unused services, receiving compensation or for meeting costs you incur as a result. Furthermore, you must meet any expenses incurred by DCL as the result of your behaviour.

Your Financial Protection

10. When you buy an ATOL protected air package from DCL, you will receive a booking confirmation from us confirming your arrangements and your protection under our Air Travel Organiser’s Licence Number 10456. Please note that Challenge events that do not include flights are not protected by the ATOL scheme.

DCL’s Liability

11. DCL promises to ensure that Challenge Event arrangements has it agreed to make, perform or provide as applicable as part of its contract with you are made, performed with reasonable skill and care. This means that, subject to these booking conditions, DCL will accept responsibility for, for example, you suffer death or personal injury or your contracted Challenge Event arrangements are not provided as promised or prove deficient as a result of the failure of DCL, it’s employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted Challenge Event arrangements. It is not the responsibility to show that reasonable skill and care has not been used if you wish to make a claim against DCL. In addition, DCL will only be responsible for what employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work DCL had asked them to do (for agents and suppliers).

11.1 DCL will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following: i. the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or ii. the act(s) and/or omission(s) of a third party not connected with the provision of your Challenge Event and which were unforeseeable or unavoidable or iii. “Force Majeure” as defined below.

11.2 Please note, DCL cannot accept responsibility for any services which do not form part of this contract with you. This includes, for example, any additional services or facilities that your hotel or any other agents agree to provide for you where the services or facilities are not advertised in DCL’s brochure and DCL have not agreed to arrange them. In addition, regardless of any wording used by DCL on its website, in any of its brochures or elsewhere DCL only promises to use reasonable skill and care as set out above and DCL does not have any greater or different liability to you.

11.3 The promises DCL make to you about the services it has agreed to provide or arrange as part of its contract with you – and the laws and regulations of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exceptions to this are where the claim or complaint concerns the absence of a safety feature which might lead to a reasonable participant to refuse to take the trip in question.

11.4 As set out in these booking conditions DCL limits the maximum amount it may have to pay you for any claims you may make against it. Where DCL is found liable for loss and/or damage to any luggage or personal possessions (including money), the maximum amount DCL will have to pay you is £1500 (fifteen hundred) per participant affected unless a lower limitation applies to your claim under this clause or sub-clause 11.5 below. For all other claims which do not involve death or personal injury, if DCL are found liable to you on any basis the maximum amount it will have to pay you is twice the price (including insurance premiums and amendment charges) paid by or on behalf of the participant(s) affected in total unless a lower limitation applies to your claim under sub-clause (b) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from the Challenge Event.

11.5 Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier or any stay in a hotel, the maximum amount of compensation DCL will have to pay you will be limited. The most DCL will have to pay you for that claim or part of a claim if DCL are found liable to you on any basis is the most the carrier or hotel keeper concerned would have to pay you under the international convention or regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or un-amended and the Montreal Convention for international travel by air and/or for airways with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by sea). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or a part of a claim, DCL similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, DCL are entitled to deduct any money which you have received or are entitled to receive from the transport provider of hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request.

11.6 Please note, DCL cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to DCL by you concerning your booking prior to DCL accepting it, DCL could not foresee you would suffer or incur if DCL breached our contract with you or (2) which did not result from any breach of contract or other fault by DCL or its employees or, where the fault is that of a third party, the third party’s employees or, suppliers. Additionally DCL cannot accept liability for any business losses.

11.7 You must provide DCL and its insurers with all assistance it may reasonably require. You must also tell DCL and the supplier concerned about your claim or complaint as set out under Clause 10 “Complaints” if asked to do so, you must transfer to DCL or its insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to cooperate fully with DCL and its insurers want to enforce any rights which are transferred.

11.8 Force Majeure: Except where otherwise expressly stated in these conditions, DCL regrets it cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage or loss (as more fully described in Clause 11 above) as a result of “Force Majeure”. In these Booking Conditions “Force Majeure” means any event which DCL or the supplier(s) in question could not, even with all due care, foresee or avoid. Such events may include war or threat of war, riot, civil strife, actual or threatened terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire and similar events outside our control.

Conditions of Suppliers

12. Many of the services which make up the Challenge Event are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier’s liability to you, usually in accordance with applicable International Conventions (see “Liability” above). Copies of the relevant parts of these terms and conditions are available on request from DCL or the supplier concerned.

Special Requests

13. If you have any special requests you must advise DCL in writing at the time of booking. DCL will pass any reasonable requests on to the relevant supplier although we regret that we cannot guarantee any request will be met unless we have specifically confirmed this. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. DCL regrets it cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfillment of a particular request.

Price and Brochure Accuracy

14. Information and prices shown in DCL promotional materials may have changed by the time you book your Challenge Event. Whilst every effort is made to ensure accuracy, errors do occasionally occur. You can ensure that your information is accurate by checking all details of the Challenge Event with DCL at time of booking.

Promotional Material

15. DCL reserves the right to use any photographs and images taken on a Challenge Event or related occasion by its employees or forwarded by any person on the Challenge Event or connected to the Challenge Event, on its website, in its social network marketing activities or for use in any other relevant promotional material.
