We need your help to succeed

We are a small charity with a huge voice shouting about much needed change for pancreatic cancer.

5-year survival is only 4% and this figure has not changed in over 40 years. Simply, we need more people diagnosed in time for surgery.

Regular donations enable us to plan for the future because we know we will have a steady income stream we can rely on.

£5

Could enable us to design, print and post one of our "Understanding Pancreatic Cancer" booklets to a newly-diagnosed patient.

£10

Could help 100 worried members of the public access vital pancreatic cancer symptoms and treatment information on our website.

£15

Could help us create and post a pancreatic cancer awareness pack to GP surgeries and members of the public who want to help raise awareness.

£20

Could help fund a medical researcher for an hour on one of our early diagnosis projects.

£50

Could help fund half an hour of a three hour GP education seminar.

£100

Could enable us to dispatch a year's supply of patient information booklets to a pancreatic cancer specialist centre.

I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give. Please remember to notify Pancreatic Cancer Action if your circumstances change and you no longer pay an amount of tax equal to the amount Pancreatic Cancer Action claims.
