How to get started

Holding a cake sale is an easy, fun way to get everyone involved in fundraising. They are quick to organise and can raise lots of money in a short time! So that you can get the most out of your event we have put together a guide for you to help you along the way.

Location

There are so many places you can hold your cake sale or coffee morning - schools, work, home, club or group you are a member of or even your local leisure centre or shops.

When?

You can hold your cake sale or coffee morning any time of the year! It can be a good idea to use a celebration theme such as Valentines day, Christmas or Halloween. You can even create your own theme, for example a purple theme or seasonal theme.

Spread the Word

Make sure you tell as many people as possible about your event. Maybe send out invitations or ask everyone to bring a guest. Posters and signs may help publicise your event too! **Use our poster to help advertise the event!**

The Bake

It is a good idea to have a wide variety of different cakes, so the more people you can get involved the better! It is also important to consider the cost so that you can charge accordingly.

Essentials

It's important to think about where the cakes will be displayed and how to enhance them. Some things to consider are - tablecloth, paper plates, napkins, price tags, a cash float (people may need change) and any branded items from PCA such as balloons, banners, t-shirts and leaflets.

Extras

You don't have to just be restricted to cakes! You could offer homemade lemonade, coffee and tea or maybe even some savoury treats. You may also like to hold a raffle or introduce a competition for the best cake or a guess the weight.

Enjoy

Now for the fun bit - sell and buy some delicious treats!

Be sure to take lots of photos and very importantly, enjoy yourself! #BakeAChange
